A night photograph of the London skyline. The Elizabeth Tower (Big Ben) is brightly lit and stands out against the dark blue twilight sky. To its left, the Houses of Parliament are also illuminated. In the foreground, the River Thames flows, with several bridges visible. The city lights reflect on the water's surface. A light blue rectangular box is overlaid on the left side of the image, containing the word "Notes" in a bold, dark blue font.

A scenic view of the London skyline at dusk, featuring the London Eye on the left, the River Thames in the foreground, and various city buildings in the background. The sky is a mix of blue and orange from the setting sun. A small boat is visible on the river.
